HARSHIKA MUTHA

ABOUT

Hello! My name is Harshika Mutha, and I have completed B.Architecture from Sinhgad college of Architecture in Pune. In last five years of my Architectural Journey has given me a new Perspective to see towards my Life and others lives too and taken closer towards Nature. I am Looking for an Job Opportunity to broden my perspective, particularly its practical applications. With this Opportunity, I am Looking forward to refine my skills and use my Insights in practical application in the world of Architecture.
